

WHERE DO YOU WANT TO GO AFTER HIGH SCHOOL?

College or Tech School

List and research schools and programs that interest you

Take the ACT / SAT before December of your senior year

Visit college campuses to determine which is a good fit

Apply early for admission and to get the best housing and scholarship preference

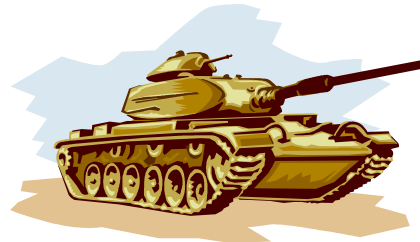

Armed Forces

Visit with friends, family and neighbors who have served in the Armed Forces

Arrange visits with military recruiters through your high school counselor

Evaluate any physical limitations that might prevent you from serving in the Armed Forces

Choose the branch that suits your strengths and gives the best benefits, training, promotions, and tours of duty.

Get a Job

Explore your abilities, talents and interests

Study the best ways to write a resume and application letter

Consider whether or not you want to move away from home to work

Arrange job shadows with your guidance counselor or visit individuals working in your field
